CHARTER expansion

ATTENTION

Our Board of Directors signed off on the certificate of resolution to adopt an amendment to our charter, where we can now officially open new accounts for people who live, work, worship, or attend school in the gold area of Harris County on the attached map!

Thank you

Dear Beloved Members,

Thank you for the honor of serving four generations of your family for four decades. I loved being a small part of your family's history. From opening your new share account, financing your first car, or preparing your income tax return, you brought joy to my heart.

I give thanks to God for the 10 City of Galveston Firefighters who chartered this credit union 68 years ago, depositing \$5 each. That \$50 is now \$98 million. The shoe box in the trunk of a car is now four thriving branches. Those 10 firefighters are now 13,000 members and continue to grow! Our new charter expansion into Harris County opens new opportunities to serve the underserved.

I began my lifetime career as the third employee of a \$3 million credit union. I grew up here, and my co-workers became my family. Our lifetime relationships I will treasure forever.

I may be leaving the credit union, but I'm not leaving you. You all will always be a part of my heart.

Love and peace.

Sincerely,

Carol Gayford

****Ronesha Holmes has been named the interim CEO****
